

RELAXATION OF BUILDING LINES APPLICATION FORM

The following extract from the Port Elizabeth Zoning Scheme viz. Clause 8.1(ii) refers:

“The Council may consent to the erection of a building closer to the boundary than the specified distance if, on account of the levels of the site, or of adjoining land, or the propinquity of buildings already in front of the building line, or any other special circumstances, compliance therewith would seriously hamper the development of the site: provided further that, subject to the provisions of Regulation 8.5, private garages or carports (i.e. roofed car shelters which are not enclosed on more than two sides) may be erected within the street building line and/or side spaces, subject to:

- the width of the garage or carport measured along the street boundary, not exceeding 7,0 m;
- the written comment of the owners of abutting erven in the case of a side space, and of abutting and opposite owners in the case of a street building line, being obtained;
- gates and/or doors to control access to / egress from the garage or carport not opening over the boundary line; and
- the design of the garage or carport being aesthetically acceptable to the Council.”
